

BOONE COUNTY ANNUAL
NO SPRAY REQUEST FORM

I, _____, hereby request that Boone County not spray the right-of-way adjoining my property, (or the property on which I am a tenant), located in Section _____, _____ Township, Boone County, Iowa. (As marked on the county map in the Engineer's Office). **This will need to be an annual request by the land owner.**

I acknowledge that I am responsible for the control of noxious weeds, brush, and trees in any area where I have requested the County not to spray. It is also my responsibility to place no spray signs at both ends of the no spray zone. I also acknowledge that an unmarked no spray zone could be subject to spray. If I fail to control the weeds, brush and trees, then Boone County, after giving me a 10 day written notice of this failure, will control the noxious weeds, brush or trees at my expense. If I fail to pay the expense, within 30 days of billing, then it shall be added to my property taxes and shall be subject to collection.
